

New

Ford Ranger Raptor 3.0L V6

With 5-Year Warranty

3.0L V6 Twin Turbo EcoBoost Engine*

Produces 397PS max power and 583Nm max torque, mated to a performance tuned 10-speed automatic transmission with an anti-lag system available in Baja Mode that is intended for off-road use only.

FOX 2.5" Live Valve Internal Bypass Shock Absorbers*

State-of-the-art internal bypass dampers that adjust electronically up to 500 times a second, reacting to the unfolding terrain and your driving style.

Selectable Drive Modes

Loaded with seven selectable drive modes for on and off-road. Go from rock crawling or desert running to the highway with the turn of a dial.

Front & Rear Locking Differentials*

Raptor is a desert racer at heart, with an added front and rear locking differentials for difficult or rocky terrain.

Selectable Exhaust Modes*

Control that Raptor rumble. Choose from Quiet, Normal, Sport or Baja exhaust modes. Select your own exhaust mode and store your preferences with the MyMode button.

Front and Rear Performance Seats

The cabin features jet fighter-inspired sports seats both in the front and rear with prominent bolstering that is more comfortable and supportive during spirited cornering.

Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. Driver-assist features may not operate at certain speeds, or in certain driving, road, or weather conditions. See Owner's Manual for details and limitations. SYNC screen appearance and functionality may change over time due to software updates.

Overseas model shown. Philippines specifications and features may vary.
