Ford Ranger Sport Special Edition

With 5-Year Warranty

Sports Bar*

Have a more rugged and off-road aesthetic while adding more versatility to cargo loading with the specially attached sports bar.

Larger Bed Capacity and Tailgate Lift Assist

Make light work of big loads. Ranger's large bed can fit Euro-sized pallet (1,200mm x 800mm) complemented with a Tailgate Lift Assist which makes it feel significantly lighter while opening.

Rear Box Steps

Stepping up into the cargo area is now easier and safer than ever. The Ranger comes with tough, integrated side steps that are directly attached to the frame, inspiring confidence with every step.

Ebony Interior Finish

Stay comfortably confident in an interior that features premium materials, trims and finishes in dark colors. Gloss Black air vents sport a Satin Aluminum accent, while aero grain textures detail the upper dash and storage areas.

Sporty Black Grille & C-Clamp Daytime Running Lamps

Modern dark accents and darkened-out front appearance creates a sportier look. C-Clamp LED headlamps complete the distinctive global 'Built Ford Tough' DNA.

Coast-to-Coast Functional Dash

The Sport Special Edition's coast-to-coast dash features a 10-inch center multi-function touchscreen, controls and retractable cupholders†.

Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. May not operate at certain speeds, or in certain driving, road, or weather conditions. See Owner's Manual for details and limitations. SYNC screen appearance and functionality may change over time due to software updates.
