OWN THE MOMENT

Dynamically designed and efficiently engineered, the Next-Generation Territory follows Ford's highest global quality standards with its modern design and efficient performance that let you own the moment.

Robust and Striking Exterior

Command looks everywhere you go with the integrated honeycomb grille, signature daytime running lamps, and full LED headlights.

Impressive Rear Design with 3D LED Taillights

The rear-end design creates a sense of spaciousness and solidity, with the word TERRITORY chrome connecting the 3D LED taillights.

Inspired to Stand Out

19-inch* alloy wheels further enhance the ride's overall luxurious look.

*Exclusive to Titanium X

SUPERB CAPABILITY

The Next-Generation Ford Territory is powered by a 1.5L EcoBoost engine mated with a 7-speed automatic transmission.

1.5L EcoBoost® Engine

Max Power
160 PS

Max Torque
248 Nm

7-Speed Automatic Transmission

Normal

Eco

Sport

Mountain

Auto Start-Stop Technology

Automatically cuts off the engine when you don't need it and seamlessly reactivates when you step on the gas, highly assistive when you're waiting at red lights or slogging through a 2-hour stop-and-go traffic.

4 Driving Modes

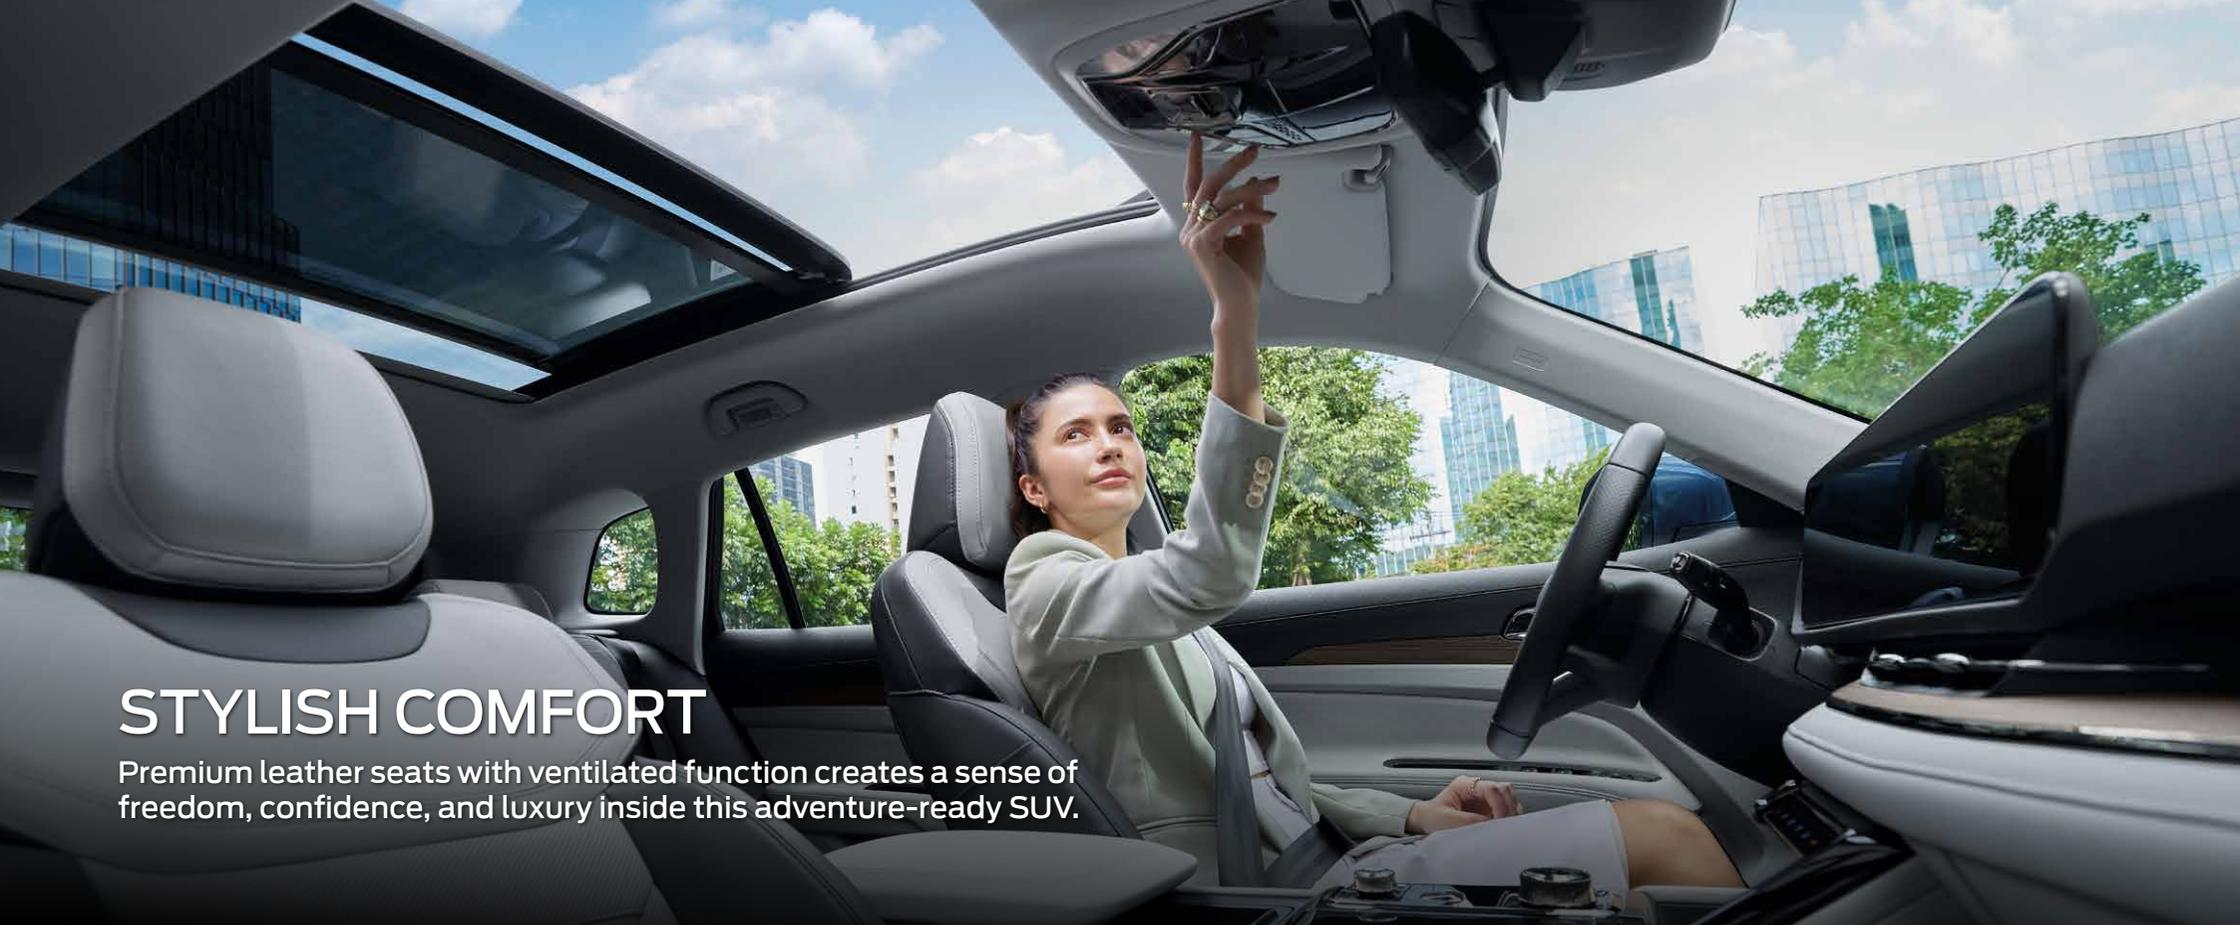

Choose the driving mode that suits you, whether it's Normal, Eco, Sport, or Mountain, and enjoy a balance of power, torque, and fuel efficiency on all roads.

Rotary e-Shifter

Take control of gearshifts with the simple turn of a rotary dial conveniently located on the center console.

Electric Parking Brake

A clever new Electric Parking Brake makes the traditional lever a thing of the past. Via the center console, you can now safely apply the parking brake with a simple switch.

STYLISH COMFORT

Premium leather seats with ventilated function creates a sense of freedom, confidence, and luxury inside this adventure-ready SUV.

Panoramic Moonroof*

A twin-panel moonroof bathes the cabin in natural light with just a press of a button.

Dual-Zone Air Conditioning System

Set the temperature different for you and your passenger through the central display or with a quick flick of a physical button.

Spacious Rear Seats

Designed with your comfort in mind, Territory's second-row seats give you ample leg room to enjoy every journey.

Hands-Free Liftgate*

Both hands full? Just kick your foot gently under the bumper and the rear door will automatically open for you, making loading and unloading easier than ever.

*Exclusive to Titanium X

SEAMLESS CONNECTIVITY

The Next-Generation Territory is equipped with modern tech features and intelligent safety systems offering a smart and comfortable interior space.

12-inch Touchscreen Display with Wireless Apple CarPlay® and Android Auto™*

This vibrant central display allows you to control your vehicle settings and effortlessly connect your smartphone keeping your eyes on the road and your hands on the wheel.

12-inch Digital Instrument Cluster*

A new way to look at your dash. The 12-inch digital instrument cluster lets you choose from two themes to match your style.

Wireless Charging

Charge your smartphone continuously throughout the trip without the wires.

360-Degree Camera

A driver-assist feature that gives you a 360-degree split view display of your surroundings, truly beneficial when parking or navigating a tight space.

Active Park Assist

The perfect parallel park at a touch of a button. Active park assist also helps with reverse perpendicular parking as it locates a suitable parking space while you drive.

*Exclusive to Titanium X

†Requires phone with active data service and compatible software. Third Parties are solely responsible for their respective functionality. Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google, Inc.

• Don't drive while distracted. Don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. • Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.

SAFETY & CONVENIENCE

Adaptive Cruise Control with Stop & Go* Function

Maintain a preset speed and distance from the vehicle in front with adaptive cruise control. Stop & Go feature applies the brakes and brings you to a complete stop if the vehicle in front of you stops, and then resumes driving the car autonomously if the stop is less than two/three seconds.

Blind Spot Information System with Rear Cross-Traffic Alert

The blind spot warning system alerts you if it detects a vehicle within your Territory's blind spots, giving you peace of mind and safer, less stressful driving.

All-Round Airbags

Six airbags protect you and your passengers from every side. These include driver, passenger, front side and side curtain airbags.

Lane Departure Warning and Lane Keeping Aid*

Designed with the purpose of maximum protection for car owners and families on board, Territory can detect and warn if you are out of lane as a safety feature.

Autonomous Emergency Braking*

Territory scans the road ahead and alerts you to a potential collision with a vehicle ahead of you. If you don't react, the system brakes for you—literally a life-saving feature.

Hill Launch Assist & Hill Descent Control

Driving off on a hill can put the best driving skills to the test. Especially if someone has stopped centimeters from your bumper. Hill Launch Assist takes the worry out of rolling, even in the tightest squeeze.

Tire Pressure Monitoring System

Real-time tire pressure monitoring system activates a warning light if it detects a significant underinflation in any of the tires, excluding the spare.

*Exclusive to Titanium X

- Don't drive while distracted. Don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. - Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
